

Notification of Career Assessment by EHOVE Career Center

Student Name: _____

Assessment date and time: _____

Location: _____

CONGRATULATIONS! You have been selected to participate in Career Assessment in which you will spend half of your day with the Career Assessment Specialist from EHOVE Career Center. Your career assessment will be conducted on the date/ time above at your school. A career assessment looks at your interests/abilities and explores possible corresponding careers that match. A conference will be held at a later date at your high school to discuss the career assessment findings.

Your schedule for the day is as follows:

- **Introduction:** Meet the Career Assessment Specialist, do a group ice breaker, learn about program/ career options available at EHOVE Career Center, and tell a little about yourself.
- **Interest Inventory:** Take a short computer-based survey that will ask you questions about your likes and dislikes. The responses from these questions will help generate potential careers in which you may be interested.
- **Learning Assessment Programs/ Aptitude Assessments:** These assessments will help measure various skills needed for certain occupations. Based on your interest inventory, you could learn about your ability to think mechanically or abstract.
- **Hands- on Assessments:** These assessments appear more like a game or a puzzle, but the truth is most occupations requires some sort of hands-on or perceptual ability skill. These assessments will have you timing and racing yourself to gauge your ability level.

You'll find some new things out about yourself during this exciting career assessment experience. If you have any questions, please ask your teacher or work-study coordinator **or you can check out the Career Assessment page on EHOVE's website at <http://ehove.net/high-school/special-services/c-assessment.html>**. You may reach the Career Assessment Specialist at 419-499-4663, 419-627-9665, or 866-256-9707 (toll free), extension 224 or by email at mpeters@ehove.net.
