

MORNING ANNOUNCEMENTS

February 22, 2012

EHOVE

Attention all SkillsUSA members who competed in regionals: Please bring your medals you have won and report to room A-101 tomorrow immediately after the announcements for a group picture. You may still be in the picture without your medal.

On February 29th, EHOVE staff and students are invited to donate \$1 to help the American Heart Association. Students who donate \$1 are permitted to wear red instead of their usual pride shirts. Staff members who donate \$1 are to wear red and it is a designated jeans day. It's a day to honor and remember those we love, who love us, and maybe we've lost, with a heart-related disease. This is "Leap Day"; help give the gift of a healthy heart!

Anyone interested in participating in the Talent Show on March 8th should stop by the "A" Building office to pick up an application. Applications are due to Mrs. LaFollette by March 5th.

EHOVE's Hearts Contest will be held next Monday, February 27th in the Commons. Teen Leadership students are delivering contest packets to career tech instructors. Instructors should receive a separate packet for juniors and for seniors. The student sign-up sheet should be turned in to Mrs. Stoll by tomorrow. During the activity period, students may wear clothes other than pride shirts, but they must still be in their class pride colors.

There will be a meeting for all ambassadors and bloggers tomorrow in room A-101 at 2:00 p.m. Those who cannot attend this meeting should come to the main office in "A" Building at 9:45 a.m. tomorrow instead.

OGT tutoring continues this week. Please remember to report at your scheduled time.

There will be a meeting for seniors who are in junior labs on Thursday at 8:30 a.m. All seniors who are in junior labs should attend.

February is Heart Health Month. Some heart healthy facts are: Physical activity boosts mental and physical wellness. It also builds a stronger immune system and decreases the risk of developing diseases such as cancer and heart disease. Physical activity reduces risk factors and prolongs your optimal health.

Home School Information:

Monroeville Students: There will be an informational meeting for the PSEO program this evening at 6:00 p.m. in the cafeteria. To qualify for this program a student has to have a GPA of 3.5 for sophomores and 3.25 for juniors and seniors on an unweighted scale. Students must be interested in taking courses through BGSU Firelands. To be enrolled in this program you must attend this meeting. It is mandatory. Parents must also attend.

Norwalk Students: Copies of the Trucker Imprints are available on the "A" Building office counter.

Western Reserve Girls: Any girl from Western Reserve interested in playing softball should report to practice from 2:30 – 4:30 starting today.

Remember EHOVE.... "Great minds discuss ideas; average minds discuss events; small minds discuss people."

STAFF:

Please remember to turn in your students' class registration sheets to the building secretary TODAY.
